Test execution results (detailed)

Test Cycle

Key		Name	
Description		-	
Planned start date		Planned end date	Iteration	-
Status	▭	Version	-

Test Executions

Key	VWO-T471	Status	NOT EXECUTED	Name	verify that login page should not open in unsupported browsers.
Objective	-				
Precondition	Login page should be loaded				
Coverage (issues)	VWO-16				
Coverage (web links)	vwo login page				
Actual end date	29/Jul/23 4:01 pm	Estimated Time	00:00	Actual time	00:00
Assigned to	sumit kaushik	Environment	-	Type	Manual execution
Executed by	-				
Issues	-				

	Test Script	
	Status	NOT EXECUTED
1	Details	1.open google opera browser 2.navigate to app.vwo.com 3. 5.open yandex browser 6.navigate to app.vwo.com
	Test Data	-
	Expected Result	login page should not be opened on unsupported browsers.
	Actual Result	-
	Issues	-

Test Cycle

Key	VWO-R12	Name	navigation		
Description	-				
Planned start date	26/Jul/23 1:20 pm	Planned end date	26/Jul/23 1:20 pm	Iteration	no iteration
Status	DONE	Version	-		

Test Executions

Key	VWO-T469	Status	PASS	Name	verfiy that login page should avoid to use previous used passwords
Objective	-				
Precondition	Login page should be loaded				
Coverage (issues)	-				
Coverage (web links)	-				
Actual end date	27/Jul/23 9:49 am	**Estimated Time**	00:00	**Actual time**	00:00
Assigned to	-	**Environment**	-	**Type**	Manual execution
Executed by	sumit kaushik				
Issues	-				

		Test Script	
1	**Status**	PASS	
	Details	1.navigate to app.vwo.com 2. enter username and password 3. click on sign in button	
	Test Data	email - akash@wuuvo.com,password - Test@1234	
	Expected Result	login page should display error on entering used password	
	Actual Result	login page displayed error on entering used password	
	Issues	-	

Key	VWO-T472	Status	PASS	Name	Verify if the login page handles URL redirections correctly ie Modify the URL to a different page within the application and then try to logged in
Objective	-				
Precondition	Login page should be loaded				
Coverage (issues)	-				
Coverage (web links)	-				
Actual end date	27/Jul/23 9:49 am	**Estimated Time**	00:00	**Actual time**	00:00
Assigned to	-	**Environment**	-	**Type**	Manual execution
Executed by	sumit kaushik				

Issues	-

Test Script	

1	Status	PASS
	Details	1.navigate to app.vwo.com 2 navigate directly .https://app.vwo.com/#/test/ab
	Test Data	.https://app.vwo.com/#/test/ab
	Expected Result	login page should navigate to same login page
	Actual Result	login page navigated to same login page
	Issues	-

Key	VWO-T483	Status	PASS	Name	verify that I'm not a robot checkbox state should be changed to tick after clicking on it
Objective	-				
Precondition	Login page should be loaded				
Coverage (issues)	-				
Coverage (web links)	-				
Actual end date	27/Jul/23 9:50 am	Estimated Time	00:00	Actual time	00:00
Assigned to	-	Environment	-	Type	Manual execution
Executed by	sumit kaushik				
Issues	-				

Test Script	

1	Status	PASS
	Details	1.navigate to app.vwo.com 2.enter username and password 3.click on I am not robot checkbox box.
	Test Data	-
	Expected Result	Remember me checkbox should be changed to tick.
	Actual Result	Remember me checkbox is changed to tick.
	Issues	-

Key	VWO-T470	Status	PASS	Name	verify that login page should avoid suspended accounts to login
Objective	-				
Precondition	Login page should be loaded				
Coverage (issues)	-				

Coverage (web links)	-				
Actual end date	27/Jul/23 9:51 am	Estimated Time	00:00	Actual time	00:00
Assigned to	-	Environment	-	Type	Manual execution
Executed by	sumit kaushik				
Issues	-				

Test Script		
1	Status	PASS
	Details	1.navigate to app.vwo.com 2. enter username and password 3. click on sign in button
	Test Data	email - akash@wuuv.com,password - Test@1233
	Expected Result	login page should redirect to same login page
	Actual Result	login page redirected to same login page
	Issues	-

Key	VWO-T473	Status	PASS	Name	verify that login page should display the reCAPTCHA after entering 3rd unsuccessful attempt
Objective	-				
Precondition	Login page should be loaded				
Coverage (issues)	-				
Coverage (web links)	-				
Actual end date	27/Jul/23 9:51 am	Estimated Time	00:00	Actual time	00:00
Assigned to	-	Environment	-	Type	Manual execution
Executed by	sumit kaushik				
Issues	-				

Test Script		
1	Status	PASS
	Details	1.navigate to app.vwo.com 2. enter username and password 3. click on sign in button
	Test Data	email - akash@wuuv.com,password - Test@123
	Expected Result	login page should display reCAPTCHA
	Actual Result	login page displayed reCAPTCHA
	Issues	-

Key	VWO-T465	Status	PASS	Name	verify that login page should handle internal errors correctly like data base connection or server error with proper message.
Objective	-				
Precondition	Login page should be loaded				
Coverage (issues)	-				
Coverage (web links)	-

Assigned to	-	**Environment**	-	**Type**	Manual execution
Executed by	sumit kaushik				
Issues	-				

Test Script		
1	**Status**	PASS
	Details	1.navigate to app.vwo.com 2. enter username and password 3. click on sign in button
	Test Data	email - akash@wuvo.com,password - Test@123
	Expected Result	login page should display error message on diactivated account login
	Actual Result	login page displayed error message on diactivated account login
	Issues	-

Key	VWO-T471	Status	FAIL	Name	verify that login page should not open in unsupported browsers.
Objective	-				
Precondition	Login page should be loaded				
Coverage (issues)	VWO-16				
Coverage (web links)	vwo login page				
Actual end date	27/Jul/23 9:58 am	Estimated Time	00:00	Actual time	00:00
Assigned to	-	Environment	-	Type	Manual execution
Executed by	sumit kaushik				
Issues	-				

	Test Script	
1	Status	FAIL
	Details	1.open google opera browser 2.navigate to app.vwo.com 3. 5.open yandex browser 6.navigate to app.vwo.com
	Test Data	-
	Expected Result	login page should not be opened on unsupported browsers.
	Actual Result	login page is opened on unsupported browsers such as opera
	Issues	-

Key	VWO-T466	Status	PASS	Name	verify that login page terminates inactive sessions after certain period of inactivity
Objective	-				
Precondition	Login page should be loaded				
Coverage (issues)	-				
Coverage (web links)	-				
Actual end date	27/Jul/23 9:53 am	Estimated Time	00:00	Actual time	00:00
Assigned to	-	Environment	-	Type	Manual execution
Executed by	sumit kaushik				
Issues	-				

Test Script

1	Status	PASS
	Details	1.navigate to app.vwo.com 2. inactivity of 5 minutes
	Test Data	-
	Expected Result	login page should display message on inactive sessions
	Actual Result	login page displayed message on inactive sessions
	Issues	-

Key	VWO-T478	Status	PASS	Name	verify that remember me checkbox should be changed to tick after clicking on the check box
Objective	-				
Precondition	Login page should be loaded				
Coverage (issues)	-				
Coverage (web links)	-				
Actual end date	27/Jul/23 9:53 am	Estimated Time	00:00	Actual time	00:00
Assigned to	-	Environment	-	Type	Manual execution
Executed by	sumit kaushik				
Issues	-				

Test Script		
1	Status	PASS
	Details	1.navigate to app.vwo.com 2)click on checkbox
	Test Data	-
	Expected Result	Remember me checkbox should be changed to tick.
	Actual Result	Remember me checkbox is changed to tick.
	Issues	-

Key	VWO-T482	Status	PASS	Name	verify that remember me checkbox state should be changed to untick after clicking on the check box 2nd time (tick to untick state)
Objective	-				
Precondition	Login page should be loaded				
Coverage (issues)	-				
Coverage (web links)	-				

Actual end date	27/Jul/23 9:54 am	Estimated Time	00:00	Actual time	00:00
Assigned to	-	Environment	-	Type	Manual execution
Executed by	sumit kaushik				
Issues	-				

Test Script		
1	Status	PASS
	Details	1.navigate to app.vwo.com 2.enter username and password 3.remember me check box
	Test Data	-
	Expected Result	Remember me checkbox should be changed to untick.
	Actual Result	Remember me checkbox is changed to untick.
	Issues	-

Key	VWO-T484	Status	PASS	Name	verify that user should be redirected to dashboard page with valid username and valid password
Objective	-				
Precondition	Login page should be loaded				
Coverage (issues)	-				
Coverage (web links)	-				
Actual end date	27/Jul/23 9:54 am	Estimated Time	00:00	Actual time	00:00
Assigned to	-	Environment	-	Type	Manual execution
Executed by	sumit kaushik				
Issues	-				

Test Script		
1	Status	PASS
	Details	1.navigate to app.vwo.com 2.enter valid username and vald password 3.click on sign in
	Test Data	valid email - akash@wuuvo.com,,password - Tes@1234
	Expected Result	user should be redirected to dashboard page
	Actual Result	user is redirected to dashboard page
	Issues	-

Key	VWO-T476	Status	PASS	Name	verify that user should be redirected to forgot reset page after clicking on the forgot password link
Objective	-				
Precondition	Login page should be loaded				
Coverage (issues)	-				
Coverage (web links)	-				
Actual end date	27/Jul/23 9:54 am	**Estimated Time**	00:00	**Actual time**	00:00
Assigned to	-	**Environment**	-	**Type**	Manual execution
Executed by	sumit kaushik				
Issues	-				

	Test Script	
	Status	PASS
	Details	1.navigate to app.vwo.com 2. click on forgot password button.
1	**Test Data**	-
	Expected Result	login page should be redirected to forgot reset page
	Actual Result	login page is redirected to forgot reset page
	Issues	-

Key	VWO-T477	Status	PASS	Name	verify that user should be redirected to login page after session timeout with no activity
Objective	-				
Precondition	Login page should be loaded				
Coverage (issues)	-				
Coverage (web links)	-				
Actual end date	27/Jul/23 9:55 am	**Estimated Time**	00:00	**Actual time**	00:00
Assigned to	-	**Environment**	-	**Type**	Manual execution
Executed by	sumit kaushik				
Issues	-				

	Test Script	
1	**Status**	PASS
	Details	1.navigate to app.vwo.com 2)inactivity of 5minutes

Test Data	-
Expected Result	login page should be redirected to same login page
Actual Result	login page is redirected to same login page
Issues	-

Key	VWO-T474	Status	PASS	Name	verify that user should be redirected to same login page after entering the invalid credentials on first attempt with error message
Objective	-				
Precondition	Login page should be loaded				
Coverage (issues)	-				
Coverage (web links)	-				
Actual end date	27/Jul/23 9:55 am	Estimated Time	00:00	Actual time	00:00
Assigned to	-	Environment	-	Type	Manual execution
Executed by	sumit kaushik				
Issues	-				

Test Script		
	Status	PASS
	Details	1.navigate to app.vwo.com 2. enter username and password 3. click on sign in button
1	Test Data	email - akash@wuuv.com,password - Test@123
	Expected Result	login page should redirect to same login page
	Actual Result	login page redirected to same login page
	Issues	-

Key	VWO-T481	Status	PASS	Name	verify that user should be redirected to same login page after entering the invalid credentials on second attempt with error message
Objective	-				
Precondition	Login page should be loaded				
Coverage (issues)	-				
Coverage (web links)	-
